

# Verti-Top® TB

The Verti-Top® Tow Behind works on the same principal as the Verti-Top® 1200 & larger 1800 PTO driven series but utilises a 6.5 hp engine. This allows the machine to be towed by any vehicle without the requirement of a PTO thus reducing combined weight while offering cleaning and dust extraction.

### Specifications

|                           |                |
|---------------------------|----------------|
| SKU                       | 147.150.010    |
| Engine                    | B&S 6.5 HP     |
| Operation                 | By towing hook |
| Working width (m)         | 1.45           |
| Working width (inch)      | 59             |
| Max. Working depth (mm)   | 0 - 26         |
| Max. Working depth (inch) | 0 - 1.02       |
| Hopper capacity (m3)      | 35 Ltr.        |
| Hopper capacity (FT3)     | 2 x 1236       |
| Max. Working speed (km h) | 12             |
